UE-FAN30 USB Fan SPECIFICATIONS

- Designed to make your hectic life easier (or at least a little cooler), the innovative features of the USB Fan ensure your comfort.
- Flexible gooseneck lets you position the USB Fan for airflow where you want it
- Compact and feather-light, the USB Fan goes anywhere and fits easily inside your notebook case
- Soft nylon blades are safe, and won't cause injury
- Quiet motor won't disrupt you as you work
- This laptop accessory provides a strong, steady stream of air directed wherever you want it.
- You remain cool and the surrounding air is constantly refreshed
- Plug & play technology lets you convert a USB port on your laptop into a source of cool air
- No batteries required for use; uses less than 150mA of power
- No switches to operate, and virtually indestructible
